

I received the February 2017 California Model Multiple Listing Services Rules as adopted by the Kern River Lake Isabella Board of REALTORS® (KRLIBOR) MLS Rules governing all Multiple Listing Services in California.

The current MLS Rules, 74 pages, are posted on the **KRLIBOR.com** web site on the Membership menu tab, MLS Rules & Regulations menu which opens PDF file at http://www.krlibor.com/my_files/docs/Rules.pdf

I have read them or will read them and abide by them until a new update is released by KRLIBOR in conjunction with C.A.R. (California Association of Realtors)
